

DORM ROOMS

A space designed for shared rest.

Quiet Hours & Group Rest

- **Quiet Hours:** From 9 PM to 10 AM. During this time, please avoid loud conversations, video calls, or using your phone's speaker inside the room.
- **Lights:** After 10 PM, the main light must remain off. Use your phone's flashlight or your personal reading light (if available) to avoid waking up others.
- **Packing:** If you have an early check-out, please pack your bags the night before. The sound of zippers and plastic bags in the early morning can be very disruptive.

Organization & Cleanliness

- **Belongings:** Keep your bags and shoes organized. The floor must remain clear for easy movement and for our cleaning staff to work.
- **Lockers:** Use your assigned locker. Do not leave valuables exposed on the bed or in common areas.
- **Odor Control:** We kindly ask you to keep shoes or sneakers with strong odors outside the room or in a well-ventilated area.
- **Towels:** Do not hang wet towels on the bunk beds. Please use the appropriate hooks provided.

Clothing & Privacy

- **Clothing:** Please wear appropriate clothing (avoid underwear only or partial nudity)
- **Beds:** Respect your roommates' space. Do not sit on or place your belongings on someone else's bed, even if it looks empty.

Strict Prohibitions

- **Food:** Eating inside the dorm rooms is strictly forbidden. Please use our communal kitchen.
- **Smoking:** Smoking (including e-cigarettes/Vape) is strictly prohibited inside the room.

Sustainability

- **When leaving the room:** Please make sure the air conditioning and lights are turned off. Small gestures help us keep the hostel sustainable and affordable for everyone.
